- 21st October: First day of Half Term Holiday
- 31st October: Halloween
- 1st November: Diwali
- 1st November : Cultural Day Celebration
- 4th November: Autumn Term Resumes

Welcome

We hope everyone enjoyed a restful and fun-filled summer holiday! As we begin another exciting year, we are thrilled to welcome back our returning children and extend a warm welcome to all the new parents and children joining our nursery family.

This upcoming year promises to be full of learning, exploration, and unforgettable memories. Our team has been busy planning a variety of activities and experiences that will nurture your child's development and spark their curiosity.

We look forward to partnering with you to make this year a wonderful journey for your child. Let's begin this adventure together and create lasting memories in the months ahead.

Welcome back, and here's to a fantastic year at Trinity Day Care Nursery.

Staff Updates

We want to extend a big welcome back to **Amy**, who is returning from maternity leave. Amy is now returning as the Pre-School Lead in the main room. **Muhsina** has also taken on the role of Toddler Lead in the main room. We also want to extend a warm welcome to our new staff member, **Rahima**.

Nappies, Wipes and Extra Clothes

If your child is wearing a nappy, please ensure they have at least three nappies and a packet of wipes packed for their time at Nursery. Additionally, please include an extra set of clothes in case their clothes get wet and need to be changed.

Label Personal Belongings

To prevent items from going missing, please label all children's clothes, jackets, and bags with their names. This helps us ensure everyone's belongings are easily identifiable and returned to the correct owner if they go missing.

Summer Holiday Club

Anne Hathaway Park

Picnic at Plashet Park

Junk modelling

Mondrian abstract art.

Pizza Making

Indoor Sports Day

Indoor Bowling

We had a wonderful time during our Summer Holiday Club with the children! The weather was lovely, and despite some changes to our planned trips due to the situation in London, the children enjoyed a wide variety of activities, both indoors and outdoors.

Our summer began with trips to the playground and a lovely picnic at Plashet Park.

We visited Wanstead Park, where the children were fascinated by the ducks. We also, took a trip to the cinema to watch the movie 'Garfield'. The children thoroughly enjoyed the movie and had lots to say about it afterward!

Indoors, we explored a range of creative activities. The children learned about Mondrian's abstract art and created nature nests using playdough. They also had fun making papier-mâché hot air balloons, being very careful to avoid popping the balloons as they got their hands sticky. Junk modelling was another highlight, where the children used their imagination and creativity to build unique models.

We also did some planting, which the children found both exciting and a bit worrisome. They were concerned that their plants wouldn't grow, but by the end of summer, they were delighted to see how much their plants had grown!

We also held a baking activity, where the children helped measure, pour, and mix the ingredients. They thoroughly enjoyed the end result—eating their delicious creations!

In addition, we hosted a mini indoor sports day. The children loved the friendly competition, and there were plenty of smiles and laughter.

On the final days of our summer holiday club, the children enjoyed bowling in the nursery before taking a trip to NAMCO Funscape in Romford for more bowling.

The children had a fun and competitive game of bowling!

It's been a fantastic summer, and we will miss the children who are returning to school. We wish them all the best and hope to see them again in our next holiday club. We also wish all our children who are starting at new nurseries and reception classes the very best of luck.
